Olympia, WA 98501-1091

Dear Jeff,

On behalf of the Washington Association of Conservation Districts, we would like to take this opportunity to personally thank you for your involvement at our annual convention. WACD greatly appreciated you taking time away from your busy schedule to participate on the Washington State Wildlife Habitat Panel.

Jeff, I hope the Districts can help provide wildlife values on private lands by working with the Washington Department of Fish and Wildlife. I think we can accomplish a lot.

We feel that this convention was a great success. Several individuals said this was our best convention yet. Such positive reactions by attendees were no accident. They resulted from strong preparation and the skillful presentation of materials by talented participants, like you.

Thanks again for your help and for your continuing support.

Sincerely,

WACD President  
Wade Troutman
